

Schools Programme

Key Stage 2 Workshops

Free support to help schools in Barking and Dagenham, Havering, Newham and Redbridge to **Reduce, Reuse** and **Recycle** waste through interactive curriculum linked **sessions and assemblies**. All sessions can be bespoke to your school.

There are two different sessions available for lower KS2 whereas all four sessions are suitable for higher KS2, due to level of understanding.

Visits take place at your school to find out more or to check availability please contact the Education &

Engagement Officer on:

RecycleFYC@keepbritaintidy.org

Workshops

Key Stage 2

LOWER & HIGHER KS2

The 3Rs (1 hour)

Reduce, Reuse, Recycle. Why is this important? We explore where our rubbish goes and how it harms our world.

Discover different objects that have been made from reused waste.

Composting (1.5 hours)

Discover how compost is made and who lives in the compost bin. Plant cress seeds in compost to watch them grow.

HIGHER KS2

Recycling & Sustainability (1 hour)

Explore the waste hierarchy and the dangers of landfill. Find out how we can become more sustainable by carrying out small actions to help our environment.

Sustainable Cities (1.5 hours)

Discover ways to be more sustainable in your day to day lives and build your own sustainable city using recycled materials!
