

Schools Programme

Key Stage 3 Workshops

Free support to help schools in Barking and Dagenham, Havering, Newham and Redbridge to **Reduce, Reuse and Recycle** waste through interactive curriculum linked **sessions and assemblies**. All sessions can be bespoke to your school.

WASTE HIERARCHY

(1 hour)

Explore the waste hierarchy and the dangers of landfill. Find out how we can become more sustainable by carrying out small actions to help our environment.

SUSTAINABLE CITIES

(1.5 hours)

Discover different ways to be more sustainable in your day to day lives and build your own sustainable city using recycled materials!

Visits take place at your school to find out more or to check availability please contact the Education & Engagement Officer on: RecycleFyc@keepbritaintidy.org
